## REBEL 500

---

**NEW  
MODEL**

### PRESS RELEASE

#### *From one Rebel to another?*

Since 2013, The Bike Shed London is a motorcycle exhibition like no other celebrating the creative culture around the custom bike scene. It is there that Keita Mikura, the Rebel's Project Leader, was inspired to create a new kind of machine for young riders, leaving free space for further customization.

In 2017, the Rebel concept became reality and reached another level, thanks to the vision and the craftsmanship of 2 Brits: Dan Gold, a tattoo artist and Russ Brown, a custom bike builder.
